RE: Governing Board Announcement and Tuition Discussion

Dear Families of Machabeng College;

It is my pleasure to announce the Machabeng College has an approved Board of Governors. With great appreciation, we thank the Ministry of Education for their efforts in assisting Machabeng College in this new direction.

Please welcome the following to the proprietorship and governance role of the school.

Chairperson- Dr. L Matsoso  
Proprietor- Mrs. Senate Molapo  
Parent elected- Dr M. Hassan  
Parent elected- Tseliso Tsoeu  
Parent elect-Mpei Ntaote  
Maseru City Counsel-Mpho Molio  
District Chief Seeiso  
Staff Representative- Nthabiseng Mohlathe

The Board of Governors has a huge responsibility over the next 2 years. There are many things the Board is responsible for including the restructuring and reorganization of the school, appropriating benefactors and donors for financial sustainability, the writing of policy, the onboarding of community volunteers to restructure the patterns and practices within the school in order to help us progress with development.

These members will have to spend many hours of voluntary time in service to the school and the school community. I hope you will join with the Machabeng College in welcoming these brave individuals and take part in a voluntary effort as a community by cooperating and collaborating on Board committees so that we can regain the accredited status Machabeng College deserves.

On another note, the tuition and fees are a matter before the Board. Communications will be forthcoming in the coming weeks.

We look forward to a new year with a new light leading the way. Thanks for your continued patronage.

Sincerely,

JL Schwimmer  
Headmaster
